For a truly luxurious feel in your home choose from the rich tones and sumptuous shades of our latest Romans range.

As a modern alternative to curtains, a fully lined Roman blind is an ideal choice. Packed with gorgeous colours and designs the fabrics in our range are perfect for creating a cosy feel, whatever the weather outside. Roman blinds really make a feature of a window and create an extra element of luxury to your home.

For a sleeker, more streamlined finish a lighter weight unlined Roman blind is available. By allowing the light to filter through into a room, this option is the perfect finishing touch in kitchens and bathrooms.

**Made to Measure** – Each roman blind is made to your individual requirement and can be customised by selecting from our range of coordinating and contrasting accessories.

**Style** – Roman blinds can create any type of mood or look that you desire and will allow you to express your personal tastes in any room in the home.

**Performance** – Roman blinds can be easily raised and lowered and provide you with perfect control of light to satisfy your needs.

**Energy Saving** – Roman blinds fit neatly against the window. This enables the blind to perform well both from a privacy perspective as well as from an insulation point of view, keeping you warmer in winter, cooler in summer

For that **extra touch of class** we offer a trim range in a choice of **finish & design**.

Thick luxurious fabrics insulate your rooms.

Compliment the **high quality** of the products with a **first class installation service**.

**Accessorise** your choice of roman blind with **beaded tassel trimmings** and choice of operating **chain colour**.
